

# T16AJ

## Tracked Platform

### Standard Features

- Diesel Engine
- 220V Electric Motor for Indoor Use(Not available with battery option)
- Full Proportional Control
- Full Functionality Radio Remote Control for Drive, Stabilization and Platform\*
- Electrohydraulic Stabilizers and Auto Leveling System
- vSAFE Electronic Stability and Limitation System
- Auto Home Function
- Automatic Cut-out When Out of Level
- Emergency Hand Pump
- 1.4 x 0.7 x 1.1m Aluminum Basket
- Multi-Language Color Display for Information and Diagnosis
- 360° Turret Rotation (Non-continuous)
- ± 90° Basket Rotation
- Forklift Pockets
- Track Extension
- Easy Removable Basket
- Articulating jib
- 220V 16A Power Outlet in Basket
- Electric Motor Auto Start-Stop
- Single Doorway Width

\* Fixed position in the basket

### Optional Features

- Gasoline Engine
- 2-Speed Drive System
- Non-marking Rubber Tracks
- Remote Assistance and Cloud System(IoT)
- Custom Paintwork
- Rubber Stabilizer Pads
- Lithium Battery Pack
- Working Lights on Chassis and Basket

## Technical Features

Working Height  
**16 m**

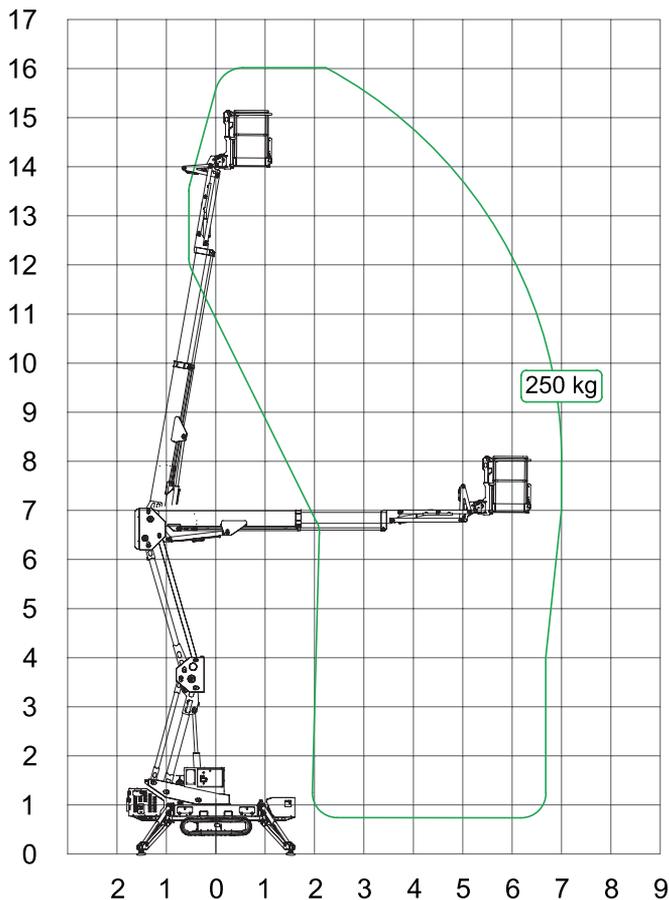

Lateral Outreach  
**7 m**

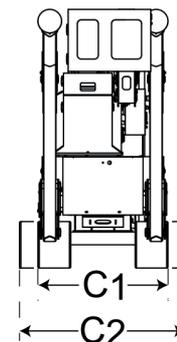

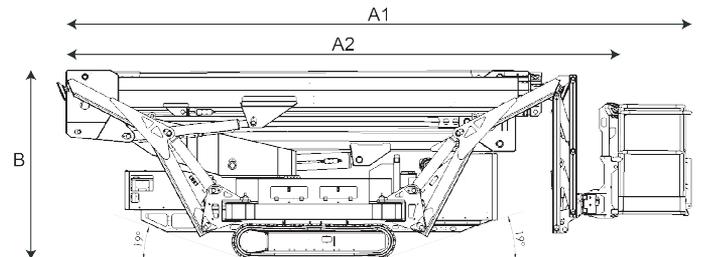

Load Capacity  
**250 kg**

|   |                |
|---|----------------|
| Maximum Working Height                              | 16.0 m         |
| Maximum Lateral Outreach                            | 7.0 m          |
| Basket Capacity                                     | 250 kg         |
| Turret Rotation (Non-continuous)                    | 360°           |
| Basket Dimensions                                   | 1.4x0.7x1.1 m  |
| Basket Rotation                                     | ± 90°          |
| Total Weight (May vary with lithium battery option) | 2750 kg        |
| Maximum Gradeability                                | 25%            |
| Electric Motor                                      | 220 VAC - 3 kW |
| Transport Length with Basket (A1)                   | 4.99 m         |
| Transport Length without Basket (A2)                | 4.3 m          |
| Transport Height (B)                                | 1.99 m         |
| Transport Width (C1)                                | 0.79 m         |
| Transport Width Track Ext.(C2)                      | 1.06 m         |
